**Friday, 12 November 2021**

**11:00 AM – 4:30 PM (CET / Central Europe)**

**3:30 PM – 9:00 PM (IST / India)**

**Venue: Consulate General of India**  
Kohlhöfen 21, 20355 Hamburg, Germany

**Hybrid event (in person & online)**

## General Information

The Hanseatic India Forum and the Consulate General of India cordially invite you to the **11th Hanseatic India Colloquium** being organized as a hybrid event (in person and online) in Hamburg, Germany with the kind support of Hamburg Invest, Biocrates Life Sciences AG and ELGA Biotech, on **12<sup>th</sup> November 2021** as a part of the **India Week Hamburg** celebrations.

The focus of this medical and healthcare-oriented Indo-German conference is on the recent pandemic of **COVID-19 and lessons learnt**, particularly the development of vaccines, therapy and long-term effects on metabolism.
