“India Investment Meet – New Business and Collaboration Opportunities in India”

3rd April 2019, 12:30 – 14:00

VIP Room, Global Business & Markets (GBM) Hall in Hall 27, Hannover Messe

The Engineering Export Promotion Council (EEPC), the Department of Heavy Industries (DHI), Government of India and the Embassy of India, Berlin has the pleasure of inviting you to the above India Investment Meet held at Hannover Messe 2019.

The Indian Engineering sector has witnessed a remarkable growth over the last few years driven by increased investments in infrastructure and industrial production. India on its quest to become a global superpower has made significant strides towards the development of its engineering sector. The sector attracts immense interest from foreign players as it enjoys a comparative advantage in terms of manufacturing costs, technology and innovation.

Objective of India Investment Meet:

- Increasing Bilateral Trade in Engineering
- Highlight Potential and Emerging Opportunities in India for German Engineering Industry
- Address Technology gaps in engineering and allied sectors
- Attract partnerships in areas like technology, innovation, R & D and skilling
- Discuss challenges/issues, if any, faced by investors while doing business in India

We look forward to welcoming you on 3rd April 2019 at the Hannover Messe 2019 !

Please register for the event by sending an email to psaha@eepecindia.net. As the space is limited, confirmation mail should be sent by March 15, 2019.
